

OEDC Project Advisory Committee
Zoom Meeting Notice
December 1, 2021

To: OEDC Project Advisory Committee Members

This is to notify you of the third meeting of the Project Advisory Committee (PAC) to be held on Zoom at 6:00 PM on Wednesday, December 1st.

Focus

This next meeting will be the second with the graduate students of Cal Poly's City and Regional Planning program who will be commencing the community-wide study shortly with the help of a bilingual community liaison hired to facilitate outreach to the Latino community. This hiring was made possible by OEDC fund-raising efforts.

The meeting will focus on (1) more definitive plans for moving ahead with the project than previously presented, and (2) important findings of an Oceano background report prepared by the students. Feedback and input from the PAC will be sought in each of these areas as well as on plans for reaching out to the community on social-media and promoting a project website.

Participation

Please make every effort to participate. Any who might be unable or uncomfortable speaking at the meeting can also submit comments in English or Spanish on the OEDC website <https://oceanoadc.org/public-comments/> or by email at oceanoadc@gmail.com.
