**Zoom Meeting Notice**  
**March 16, 2022**

**To: OEDC Advisors and Project Advisory Committee Members**

This is to notify you of the fifth meeting of the Project Advisory Committee to be held via Zoom at 6:00 PM on Wednesday, March 16th. Given all that the students plan to present, and on which they need your feedback, this meeting is likely to extend until 7:30.

**Focus**

The students plan to devote most of this meeting to a presentation of proposals for action based on their field work to date. They will also update us on how things currently stand, including the status of their numeric and demographic coverage. They will not be presenting final survey results inasmuch it has been necessary to extend the outreach effort and final analysis to the middle of Spring Quarter.

**Participation**

Please make every effort to attend and let me know if you cannot attend. We're hoping for a 100% turnout of PAC members. Any who might be unable or uncomfortable speaking at the meeting can also submit comments in English or Spanish on the OEDC website <https://oceanoadc.org/public-comments/> or by email at [oceanoadc@gmail.com](mailto:oceanoadc@gmail.com).

**Meeting Agenda**

1. Welcome and Announcements – Doreen Liberto, Nick Alter, Kelly Main (5 mins)
2. Community Outreach Update (5 mins)
3. Completing the Draft Action Plan (5 mins)
4. Key Proposals of the Draft Action Plan (45-50 mins)
5. Final Comments and Questions (5 mins)

Thanks for participating! We look forward to seeing you a week from tomorrow.
